

## 7th Early Research in Biophysics Award Nomination Form

Please Email this document to the president office (bpsjp@biophys.jp).

Subject should be “若手奨励賞応募” (please copy and paste it).

Title of your presentation :
Authors (including yourself and all coauthors) :
Affiliation :
Abstract :
Date of birth (35 and younger, on April 1 <sup>st</sup> , 2011) :
Curriculum vitae : <b>【Education】</b>          <b>【Professional Experience】</b>

Publication list :

The significance of your presentation; the uniqueness, novelty or stressing points of your work etc. (within 300 words) :

What field does your work belong? Give the number. :

- |   |                                     |
|---|-------------------------------------|
| 1. Structure and Function of Proteins             | 7. Molecular Motor                  |
| 2. Properties of Proteins (Folding, dynamics etc) | 8. Biomembrane, artificial membrane |
| 3. Nucleic Acid                                   | 9. Bioinformatics                   |
| 4. Cellular Biology                               | 10. Imaging, methodology            |
| 5. Photobiology                                   | 11. Brain and neuroscience          |
| 6. Muscle   | 12. Others (Please specify.)        |
