

Application Form for the 20th (2024) Early Career Award in Biophysics, Early Career Presentation Award

※Fill out the form below. After converting this application form to pdf, attach it to an Email and send it to the BSJ office (bsj@nacos.com). When sending the e-mail, make the subject line "Early Career Award in Biophysics application " and include in the body of the e-mail the IUPAB2024 registration ID that was notified to you at the time of your registration for IUPAB2024. The "1. Contact address of the applicant" and "2. Presentation title, authors and research field" should be on one page together, and the "3. Abstract and related information" should be on two pages. If necessary, you can add extra pages only for the rest of the items. Please be sure to adhere to all the notes described. The BSJ office will send you a receipt of the Award application by Email (Note that this is different from an Email for a receipt of a regular presentation registration). If you do not receive the Email after one week of the closure of the application period, please contact the BSJ office (bsj@nacos.com).
