

# ABA SYMPOSIUM 2026 HONG KONG

The 12th Asian Biophysics Association Symposium

## Join Us for the 12th Asian Biophysics Association (ABA) Symposium – 2026 !

Date: 12-14 January 2026

Venue: The Hong Kong University of Science and Technology, Hong Kong, China

### Plenary Speakers:

**Prof. Sun CHOI**

The Korean Academy of Sciences and Technology

**Prof. Zihe RAO**

Tsinghua University

**Prof. Ming-Daw TSAI**

Institute of Biological Chemistry, Academia Sinica

**Prof. Hiroyuki NOJI**

The University of Tokyo

**Prof. Rajan SANKARANARAYANAN**

CSIR-Centre for Cellular and Molecular Biology

**Don't miss this opportunity to learn and connect with experts in the field!**

### Symposium Themes:

- Biophysics
- Membrane Biophysics
- Structural Biology
- Neuroscience
- Imaging and Super-resolution Microscopy
- AI for Biophysics
